Steve Ogunro is an investment banker and serial entrepreneur who has completed IPO, PE, VC and M&A assignments aggregating over \$20 billion. He co-founded investment bank Capital Mergers And Acquisitions. He started his career at Morgan Stanley and Goldman Sachs in corporate finance. On the startup tech side he invested in Cvent (exit through IPO NYSE and valued over \$1 billion), Zip (IAC co-invested) and IIT (Acquired by UK public company). One of Steve's most recent endeavors is HeroBureau, an online platform that allows athletes, musicians, actors and other public figures to quickly and efficiently create, share, buy and sell experiences. It is backed by multiple entertainers and Capital Factory.
