

Lommen Abdo's professional liability team has been handling the most serious and complex claims professionals face for over 75 years. We defend attorneys, trustees, CPAs and accounting firms and law firms in claims involving negligence, breach of fiduciary duty, licensing disputes and insurance coverage. The professional liability team has won hard fought battles in courtrooms, in ADR forums and in appellate courts. We have offices in Minnesota and Wisconsin, but members of the Lommen Abdo team also travel throughout the U.S. to assist in handling all types of professional liability matters.

Our clients speak highly of Lommen Abdo's litigation skills. Two clients told *Best Lawyers*® that:

Lommen Abdo attorneys have the ability to cut to the heart of the legal malpractice case, resulting in precise, creative and effective resolution strategies. They "get it," whereas many in this field simply don't. They are a huge asset in the defense of lawyers nationwide.

Lommen Abdo is a tremendous firm for handling legal malpractice defense. The lawyers get great results at a fair price. They have a supreme knowledge and expertise in the field.

Lommen Abdo has been selected as the Professional Liability Litigation Law Firm of the Year - Minnesota, US (2017) by The Lawyer International. It was also selected for the 2016 Corporate Intl Magazine's Global Award: Professional Liability Litigation Law Firm of the Year in Minnesota. Kay Nord Hunt, who handles the professional liability appeals, is a member of the American Academy of Appellate Lawyers and was named the "Minneapolis *Best Lawyers* Appellate Practice Lawyer of the Year" for 2012.

We are proud of these accolades, but we measure our true success by the success of our clients.
